REMARKS

This application has been carefully reviewed in light of the Final Office Action of March 24, 2005. By way of this amendment, claims 3 and 4 have been canceled. The proposed Amendment After Final is believed to place the application in condition for allowance or at least in better form for appeal without presenting new issues requiring substantial further consideration. Applicant requests further review and reconsideration in light of the following remarks.

Applicant appreciates the indication that claims 1 and 2 are allowed. In response thereto, rejected claims 3 and 4 have been canceled. No other issues are pending.

In view of the above, it is submitted that the claims are in condition for allowance. It is requested that claims 1 and 2 be allowed to proceed to issuance at an early date.

Respectfully submitted,

*Jonathan M. Hines*
